Recommendations for Tobacco Ordinances:	

	parking lots during negotiations for successor memorandums of agreement with associations representing County employees. This is a 2022 action item for non-safety unions/associations and 2023 for safety unions/associations. a. Conducting a targeted vaping public health awareness campaign: As of July 23, 2020, 32 vaping and 24 anti-smoking messages posted on County HHSA Facebook and Twitter. b. Revisions to County Code related to tobacco control regulation in alignment with State law. c. Tobacco retail licensing program. 2. SB 793 was signed by Governor Newsom on August 28, 2020. Starting January 1, 2021, retailers will be prohibited from selling these flavored tobacco products. 3. Key elements of a Tobacco Retail Licensing Program a. All retailers must pay an annual fee to cover administration and enforcement efforts. b. All tobacco retailers obtain a license each year that is issued by the County. c. Provision that any violation of a local, state, or federal tobacco law is considered a violation of the County license. d. Financial deterrent through fines and penalties for violations that includes suspension and revocation of the license. 4. Summary: A tobacco retail licensing program will help address the increase in youth and young adult e-cigarette use, strengthen enforcement of minimum age sale laws, and facilitate compliance monitoring of retailers. The County will align the proposed Tobacco Retail Licensing Ordinance with SB 793, signed by Governor Newsom on August 28, 2020. If approved, County staff will return for a second reading on November 17, 2020.
	C. Public Comment from the American Heart Association.

VII. Public Health Officer's Report By Dr. Wilma Wooten

Infectious Disease Issues

Influenza

- During the 2019/2020 influenza season, which is defined locally between July 1, 2019 and June 30, 2020, there were 20,711 reported lab confirmed Influenza cases. During this same time, there have been 108 deaths and 62 confirmed influenza outbreaks.
- Planning of the 2020/2020 Influenza season is underway, and a virtual Annual Kick the Flu Summit is planned for September 30.
- For this 2020/2021 flu season to date, there have been 5 lab confirmed flu cases reported.

2019 Novel Coronavirus

As of September 29, 2020:

■ The current number of COVID-19 cases in the U.S. is over 7,129,313 and 204,598 deaths

California Cases

■ The current number of cases in CA is now 807.425 cases and 15,640 deaths.

San Diego Cases

■ San Diego County residents – 46,985 with 781 deaths

Board Actions

- ADD SmokeFree Outdoor Dining Resolution in February 2020.
- On September 15, 2020, the BOS approved the receipt of \$20 million in funding for an Epidemiology & Lab Capacity (ELC) grant from CDC through CDPH. This is a two-year grant with a focus on enhancing communicable disease detection, surveillance, and diseases control.

Grants

- New Applications
- Notice of award was received on 9/18/20.
- Funded at the full level requested: \$198,001.
- The project will begin September 30, 2020 and run through September 29, 2021 and will involve a collaborative effort between EISB, Office of Strategy and Innovation, and MCFHS/CDHE.
- One media contract with Brown Communications will be established through an existing County-wide service contract funded at approximately \$140,000 and estimated to begin November 15, 2020.

Funding

Local Oral Health Program (LOHP):

- The LOHP contractors have moved to a virtual format and continue to provide services to the community. This fiscal year:
- The American Academy of Pediatrics trained 10 pediatric providers virtually, although some providers have stopped placing fluoride varnish during COVID-19.
- Rady's Anderson Center for Oral Health provided virtual trainings to 6 dental providers and those providers are implementing enhanced oral health activities. Dental offices are seeing patients at a reduced capacity due to COVID-19

- County staff and the UCSD contract Share the Care have engaged Home Visiting partners to support the families they serve. Virtual trainings for 6 Home Visiting staff took place.
- Kindergarten Oral Health Assessment data was significantly impacted by school closures. While limited, the 19/20 school year data is under review.
- County staff will present to the Association of State and Territorial Dental Directors (ASTDD) in October on Social Determinants of Oral Health.

EISB Funding

On August 12, the County was notified by CDPH of \$20,000,000 funding through the CDC Epidemiology & Laboratory Capacity (ELC) grant funding. These are for this current and next fiscal years. On September 15, 2020, the Board of Supervisors approved the receipt of this funding to support enhanced surveillance, investigation, response, prevention and partner coordination/engagement efforts.

Perinatal Equity Initiative

The PEI public awareness campaign developed by Civilian went live on September 14, 2020.

The campaign will educate the community on how systemic racism negatively impacts African-American maternal and infant mortality.

Public Health Initiatives

Major Initiative Updates and Highlights: Getting to Zero

■ The HIV, STD and Hepatitis Branch has been awarded \$9,693,670 in Ending the HIV Epidemic funding for HIV prevention for the time period 8/1/2020-7/31/2025. This complements the \$5,000,000 awarded earlier this year for Ending the HIV Epidemic funding for HIV care and treatment for 3/1/2020-2/28/2025.

Personnel

- New Hires: As of 9/30/2020, there are 470 staff working as COVID-19 case investigators, 36 outbreak investigators and 330 persons working as contact tracers. Many of these have been new hires within the last 30 days.
- Community Health Promotion Specialist II position filled by Lauren Barker for the Tobacco Control Resource Program; start date 10/23/20.

Recognitions and Awards

On Thursday, September 24, 2020, The San Diego Foundation, in collaboration with Alliance Healthcare Foundation, The David C. Copley Foundation and San Diego Gas & Electric, recognized Dr. Wooten with the Dr. Wilma Wooten Courage Scholarship. The scholarship supports the education pillar of the Black Community Investment Fund and will provide scholarships to San Diegans who are pursuing a degree in health sciences and come from communities underrepresented in higher education, especially students who are the first in their families to attend college.
